About the Walk

The Parkinson’s Unity Walk is the largest single day grassroots event for Parkinson’s disease in the U.S. Since 1994, people living with Parkinson’s disease, their families, friends and caregivers have gathered once a year in unity with the common goal of raising awareness and funds for research to find a cure. When you donate to the Parkinson’s Unity Walk, 100% of all donations go to research funded by the major U.S. Parkinson’s organizations.

Join us! You need to be here at the most comprehensive, one-stop shop for those with Parkinson’s and their loved ones.
